

Dr. Evelyn Marsh

Summary

VP of Engineering, 18 years, PhD. Executive engineering leadership. Overqualified and mismatched to coordinator work.

Skills

engineering leadership, org design, budgeting, hiring, architecture

Experience

VP Engineering, Atlas Robotics (2018-2026)

200-person org. Board reporting. No warehouse WMS work.

Director of Engineering, Atlas Robotics (2012-2018)

Platform teams.

Education

Ph.D. Computer Science, 2008. Not seeking a coordinator role; profile is a seniority and domain mismatch.
